## \$ BANK TRANSFER DAY \$

On November 5, 2011 bank customers everywhere have pledged to move their money to community banks and credit unions due to the miscellaneous fees that big banks charge for services. As a result, we will be well-staffed and open extended hours this Saturday. We welcome members and potential new members to come in to our main office on Wexford-Bayne road and experience the credit union difference.

*Remember, if you refer a friend or family member, you will receive \$15 cash!*

# International Credit Union Day

Every year International Credit Union Day is held during the third week in October to create awareness and celebrate the ways credit unions improve the lives of their members around the world. This year's theme was **Credit Unions Build a Better World.**

PCFCU decided to have an international food celebration. Employees picked a country to represent and brought in a traditional food or drink item of that country. Members were able to taste delicacies from around the world including, *German chocolate cake, English scones, Greek hummus, and Oolong Tea and fortune cookies representing China.* They also could spin the world prize wheel to win PCFCU themed prizes. **Thank you** to everyone who came in to celebrate with us!
